

How to pass a right order?

Monday, 20 July 2009 17:33 - Last revised Friday, 08 January 2010

When taking the measures of your wall or ceiling in order to install CLIPSO fabrics, please follow the procedure:

Width x lenght net with an extra 10 all around the room

Example: for a standard ceiling of 5 m x 5 m

You will order a 5,10 m x 5,20 m

Example: for an oversized ceiling of 4 m x 10 m

You will order a 4,50 m x 10,40 m

You will find more details on the technical sheets included to your files.

On the **purchase order** that we provided you, please note that the dimensions to order have **to count these margins**

.
□

Please note as well that you have specific purchase order for Design projects and instructions for these projects.
